Comments

- We are very proud of our excellent results! We judge them to be outstanding (so continuing our trend of outstanding outcomes at KS1 over the last 4 years) because...
- Our school exceeds well above the 2017 national & 2016 county figures, including in achievement of the higher standard across all subjects at KS1
- 2017 figures are in line with or better than 2016's results, which we judged as outstanding. 2016 was the first year of new tests and assessment frameworks to assess pupil progress on the new more challenging national curriculum and raised standards.
