76% level 5+ in Reading

71% level 5+ in Grammar

35% level 5+ in Writing and Maths

2 level 6s in Writing and Maths

The level 5 scores (above national expectation) represent our highest ever attainment at Old Hutton in Reading and Grammar.

This is the 4th year in a row we have achieved level 4 or higher for every pupil in Maths.

When combined with last year's results, they show our school to be at a consistently good/outstanding level for pupil achievement.

A large majority of pupils made expected progress (2 or more levels) across KS2: 94% in Reading and Maths, 88% in Writing.

Pupils making more than expected progress across KS2 (3 or more levels): 47% in Reading, 30% in Writing and Maths. These figures show us to have good (30%) or better (>30%) value-added across KS2.
